Subpart C—Transfers, Exchanges and Reissues

§ 306.15 Transfers and exchanges of securities—closed periods.

(a) *General.* The transfer of registered securities should be made by assignment in accordance with subpart F of this part. Transferable registered securities

are eligible for denominational exchange and exchange for bearer securities. Bearer securities are eligible for denominational exchange, and when so provided in the offering circular, or eligible for exchange for registered securities. Specific instructions for issuance and delivery of the new securities, signed by the owner or his authorized representative, must accompany the securities presented. (Form PD 3905 or PD 1827, as appropriate, may be used.) Denominational exchanges, exchanges of Treasury Bonds, Investment Series B—1975-80, for the current series of EA or EO 1½ percent 5-year Treasury notes, and optional redemption of bonds at par as provided in § 306.28 may be made at any time. Securities presented for transfer or for exchange for bearer securities of the same issue must be received by the Bureau not less than 1 full month before the date on which the securities mature or become redeemable pursuant to a call for redemption before maturity. Any security so presented which is received too late to comply with this provision will be accepted for payment only.

(b) *Closing of transfer books.* The transfer books are closed for one full month preceding interest payment dates and call or maturity dates. If the date set for closing of the transfer books falls on Saturday, Sunday, or a legal holiday, the books will be closed as of the close of business on the last business day preceding that date. The books are reopened on the first business day following the date on which interest falls due. Registered securities which have not matured or been called, submitted for transfer, reissue, or exchange for coupon securities, and coupon securities which have not matured or been called, submitted for exchange for registered securities, which are received during the period the books for that loan are closed, will be processed on or after the date such books are reopened. If registered securities are received for transfer or exchange for bearer securities, or coupon securities are received for exchange for registered securities, during the time the books are closed for payment of final interest at maturity or call, unless otherwise

provided in the offering circular or notice of call, the following action will be taken:

(1) Payment of final interest will be made to the registered owner of record on the date the books were closed.

(2) Payment of principal will be made to:

(i) The assignee under a proper assignment of the securities, or

(ii) If the securities have been assigned for exchange for bearer securities, to the registered owner of record on the date the books were closed.

§ 306.16 Exchanges of registered securities.

No assignments will be required for:

(a) Authorized denominational exchanges of registered securities for like securities in the same names and forms of registration and

(b) Redemption-exchanges, or prefundings, or advance refundings in the same names and forms as appear in the registration or assignments of the securities surrendered.

§ 306.17 Exchanges of registered securities for coupon securities.

Registered securities submitted for exchange for coupon securities should be assigned to "The Secretary of the Treasury for exchange for coupon securities to be delivered to (inserting the name and address of the person to whom delivery of the coupon securities is to be made)." Assignments to "The Secretary of the Treasury for exchange for coupon securities," or assignments in blank will also be accepted. The coupon securities issued upon exchange will have all unmatured coupons attached.

§ 306.18 Exchanges of coupon securities for registered securities.

Coupon securities presented for exchange for registered securities should have all matured interest coupons detached. All unmatured coupons should be attached, except that if presented when the transfer books are closed (in which case the exchange will be effected on or after the date on which the books are reopened), the next maturing coupons should be detached and held for collection in ordinary course when due. If any coupons which should be at-

tached are missing, the securities must be accompanied by a remittance in an amount equal to the face amount of the missing coupons. The new registered securities will bear interest from the interest payment date next preceding the date on which the exchange is made.

§ 306.19 Denominational exchanges of coupon securities.

All matured interest coupons and all unmatured coupons likely to mature before an exchange can be completed should be detached from securities presented for denominational exchange. All unmatured coupons should be attached. If any are missing, the securities must be accompanied by a remittance in an amount equal to the face amount of the missing coupons. The new coupon securities will have all unmatured coupons attached.

§ 306.20 Reissue of registered transferable securities.

Assignments are not required for reissue of registered transferable securities in the name(s) of:
